

beyond the shine

The Original House of **PRESTO PLAST**® **PRESTO PLAST** Group®

“WHO
we are”

PRESTO PLAST (i-LITE) emerges as one of India's swiftest-growing conglomerates, driven by our core philosophy 'Har Ghar i-LITE. 'Proudly, we occupy a significant and esteemed position within our home country, India.'.

PRESTO PLAST emerges as a distinguished trailblazer in the realm of household electrical wiring accessories, specializing in solutions for both surface and recessed wiring. Boasting an impressive 37 year legacy, the company has demonstrated its commitment to innovation through a comprehensive collection of design patents and official registrations.

Strategically located manufacturing facilities in Mumbai, Kolkata, and Daman position **PRESTO PLAST** as an industry leader, producing a diverse range of products including Conduit Pipes, PVC Conduits & Fittings, Trunking Profiles, Snap Fit Joints, Switch Boards, and related electrical components. The hallmark of the company's offerings is the prestigious ISI certification, attesting to their unwavering commitment to quality.

Since its inception in 1988, **PRESTO PLAST** has been a catalyst for transformation in the electrical industry, introducing groundbreaking innovations such as the pioneering Casing Caping (Trunking Profile), advanced push fit joints, and cutting-edge plastic switchboards. Fueled by a passion for design excellence and engineering precision, **PRESTO PLAST** continues to lead the market.

As part of its steadfast commitment to innovation and growth, **PRESTO PLAST** is set to expand its product line to include a comprehensive array of modular and semi-modular switches, sockets, plates, circuit breakers, distribution boards, and LED lighting solutions. This strategic move further solidifies **PRESTO PLAST**'s reputation as a dominant force in the electrical fittings arena. Anticipate the launch of these transformative products, promise to redefine the standards of electrical accessories.

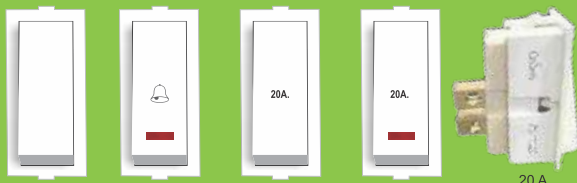

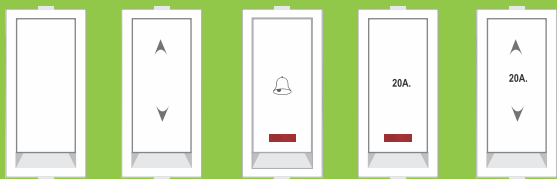

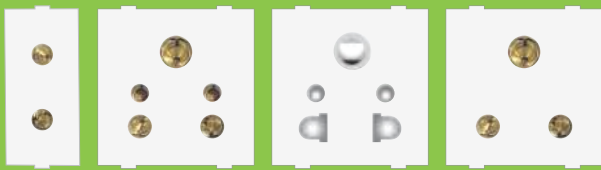

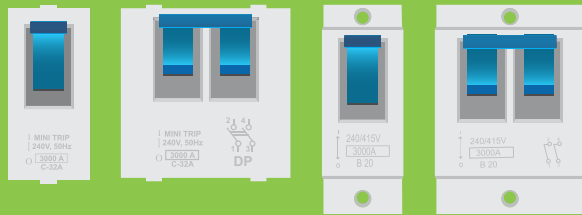

EURO
S E R I E S

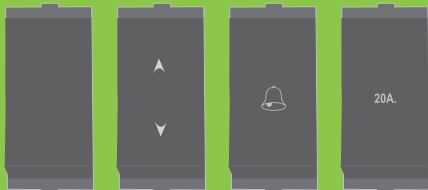

It's time to change A NEW TREND

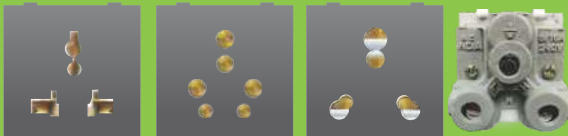

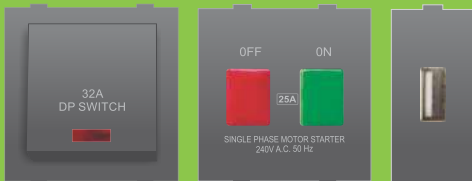

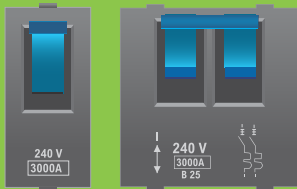

The Euro range of modular switches and systems shatters conventions with its sophisticated, minimalist, and remarkably flat design. Representing a pinnacle of meticulous craftsmanship and unparalleled excellence, each detail of the Euro range is carefully curated, setting it apart from ordinary switch ranges that may seem cumbersome and extravagant by comparison. With its feather-light and contemporary design, the Euro range heralds a new era in the realm of standard fittings.

MODULAR
PLATES WITH BASE

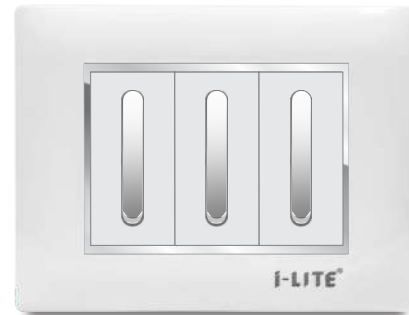

“unleashing
Creativity
framing emotions.”

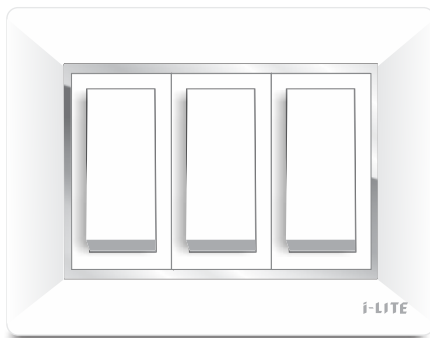

The modular cover plate is described as ultra-flat, suggesting a slim and streamlined appearance that contributes to a modern aesthetic. The chrome border around the inner frame not only adds a touch of sophistication but also contrasts well with the overall design, providing a visually appealing element.

Meet your **Luxury** L i f e S t y l e .

The emphasis on creating a warm and inviting ambiance suggests that these cover plates are not only visually appealing but also contribute to the overall feel of a space. The option to pair them with light interiors for a sense of purity and elegance or with dark interiors for a rich and plush setting showcases the adaptability of the design to different styles and preferences.
